Subj: WATER POLLUTION ABATEMENT PLAN

Ref: (a) MCO P5090.2  
(b) Water Pollution Abatement Plan

1. Purpose. To implement a water pollution abatement plan for the Marine Corps Air Station (MCAS) Yuma and its tenants.
2. Information. Reference (a) established the Marine Corps Environmental Compliance and Protection Program and specifically requires Marine Shore activities to provide an abatement plan that establishes policy, responsibilities, and procedures for the prevention and control of surface water and groundwater pollution from all wastewater discharge and surface water runoff within Marine Corps Air Station (MCAS) Yuma's jurisdiction. Reference (b) assigns responsibility for all MCAS Yuma personnel and provides instructions for appropriate water pollution prevention to ensure conformance with the Environmental Protection Agency and Arizona Department of Environmental Quality's water quality regulations.
3. Action. All Commands/Departments at MCAS Yuma shall ensure that their personnel are aware of the requirements of the water Pollution Abatement Plan and shall personally support and implement appropriate policies and procedures.
